International Congress: metropolises for governance

13 Jun. 2022

15 Jun. 2022

<https://congresointernacional.opamss.org/sv/>

Organised by the **Metropolitan Area of San Salvador** (COAMSS/OPAMSS) and the **Metropolitan Area of Barcelona** (AMB), with the financial support of the European Union, and featuring the participation of other five Metropolis members in Latin America and the Caribbean, this congress identifies international and national experiences on the role and actions promoted by metropolises to strengthen metropolitan management, sustainability and financing mechanisms.

For the full programme and registrations, please visit the congress website (in Spanish):
