The 8th Session of the Global Platform for Disaster Risk Reduction

The Global Platform for Disaster Risk Reduction is the main global forum to assess and discuss progress on the implementation of the Sendai Framework for Disaster Risk Reduction.

The eighth session of the Global Platform (GP2025) will be organized and convened by the UN Office for Disaster Risk Reduction (UNDRR) from **2 to 6 June 2025**, in **Geneva, Switzerland**. The event will be co-chaired by the Government of Switzerland and UNDRR.

The theme of the GP2025 is "Every Day Counts, Act for Resilience Today". It will constitute an important

milestone between the High-Level meeting on the Midterm Review of the Sendai Framework (May 2023) and the five final years before the Sendai Framework ends. GP2025 will be held in a hybrid format to allow a more inclusive and sustainable meeting.
