## UCLG-MEWA Congress 2019

09 Jul. 2019  
10 Jul. 2019

As the 6th ever general Congress of UCLG's Middle Eastern and West Asian members, the meeting welcomed many mayors and other policymakers as well as academics, with a particular focus on Smart Cities and the use of new technology in cities. Finally, members met to discuss all the important administrative matters affecting the association
