10th World Urban Forum (WUF10)

08 Feb. 2020

13 Feb. 2020

Organized and convened by the United Nations Human Settlements Programme (UN-Habitat), the World Urban Forum has become the premier international gathering for exchanging views and experiences on urban challenges. The inclusive nature of the Forum, combined with high-level participation, makes it a unique United Nations conference and the premier international gathering on urban issues.

The Tenth Session of the World Urban Forum (WUF10) has as its theme: “Cities of Opportunities: Connecting Culture and Innovation”

The objectives of the World Urban Forum are:

- Raise awareness on sustainable urbanization among stakeholders and constituencies, including the general public;
- Improve the collective knowledge on sustainable urban development through inclusive open debates, sharing of lessons learned and the exchange of best practices and good policies;
- Increase coordination and cooperation between different stakeholders and constituencies for the advancement and implementation of sustainable urbanization.
