The Conference 2050

31 Dec. 2020

31 Dec. 2020

Date to be confirmed

Organized by Hangzhou Municipal People's Government, this is a conference aimed at **young people**. It will allow young people to stand in the spotlight, talk about **innovation**, look towards the future and face the challenges with a young mind. It will be a grand gathering of youth, a gathering of ACMers and cnblogs programmers, a gathering of MIT TR 35 and the Davos WEF's Young Leaders and Global Shapers, a gathering for the next generation scientists from various fields of expertise.
