International Conference: Tackling Inequalities at the local level

05 Oct. 2020
06 Oct. 2020

In cooperation with the Development and Peace Foundation, the city of Berlin organizes the International Conference "**Implementing SDG 10 - Tackling Inequalities at the Local Level**". The Conference is aimed at policymakers and administration, social startups, and civil society organizations.

The main objectives are:

-

Gaining a mutual understanding of inequalities

- Identifying common challenges in tackling inequality
- Sharing good practice
- Networking with inspiring change makers

Further information will be soon updated
