Live Learning Experience - Thematic session : Local Democracy in the aftermath of the Covid-19 Pandemic

18 Jun. 2020

18 Jun. 2020

The Live Learning Experience, organized by **Metropolis, UCLG and UN Habitat**, has brought together more than 3,000 participants in sessions that began at the end of March. Participants from local and regional governments, the UN system and partners from civil society have shared their experience, initiatives, and actions to support their communities and address the pandemic by providing essential basic services

Local and regional governments will meet in the Live Learning session, organized by Metropolis, UCLG and UN-Habitat to show their political commitment to decision-making at the local level to achieve their role as drivers of change.
