Live Learning Experience - Thematic session - Reimagining Public Safety in the face of historical inequalities and emerging crisis in Cities

25 Jun. 2020
25 Jun. 2020

The Live Learning Experience, organized by **Metropolis, UCLG and UN Habitat**, has brought together more than 3,000 participants in sessions that began at the end of March. Participants from local and regional governments, the UN system and partners from civil society have shared their experience, initiatives, and actions to support their communities and address the pandemic by providing essential basic services
