该项目获得欧盟 Horizon 2020 研究与创新计划资助（项目编号：82042）。部分中国合作伙伴也资助了该项目。

INTERNATIONAL CALENDAR

Webinar n°1 C.H "UFNBS State of the Art"

17 Nov. 2021
17 Nov. 2021

Those webinars span policy, planning, and practice and are based on CLEARING HOUSE products and activities. All the webinars, conducted in English and Mandarin, will be archived and made freely available.

The webinars schedule will be the following:

- UF-NBS State-of-the-Art (17th November 2021)
- Decision support for UF-NBS – introducing application & benchmarking tools (1st trimester 2022)
- Engaging less-privileged groups in UF-NBS planning and management – introducing a guideline on stakeholder mechanisms (1st trimester 2023)
- Effective UF-NBS delivery – introducing a guideline on management, policy and planning (1st trimester 2023)
- UF-NBS business models and investment cases – introducing a Sustainable Business Model Investment Approach to UF-NBS (2nd trimester 2023)
- Change management and institutional reform for UF-NBS deployment (2nd trimester 2023)

The first webinar, **Urban forests nature-based solutions: State of the art**, will be held on **17th November at 9.00am CET**.

The session will last 90min and will be conducted in **English and Mandarin**, interpretation in both languages will be available.

This project has received funding from the European Union's Horizon 2020 Research and Innovation Program under Grant Agreement 821242.
