Smart City Expo Live Barcelona

16 Nov. 2021
18 Nov. 2021

WE ARE THE CITIES WE MAKE

Smart City Expo World Congress (Barcelona, November 16-18) is the leading international event for the smart city sector, a key meeting point for experts and leaders of the world's most innovative cities, companies, research centers and international organizations. Over 25,000 professional visitors attended in 2019, with over 1,000 exhibitors, along with high level representatives from more than 700 cities and over 400 international speakers that shared their experience and vision on how to build a more sustainable and livable urban future.

This year's event will blend the physical venue with the digital space, allowing us to reach a wider audience while giving everybody the opportunity to experience the event in full. The lessons learned from 2020 will contribute to creating an enhanced hybrid, cross-platform experience offering endless opportunities.
