23 Mar. 2021

26 Mar. 2021

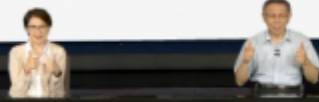

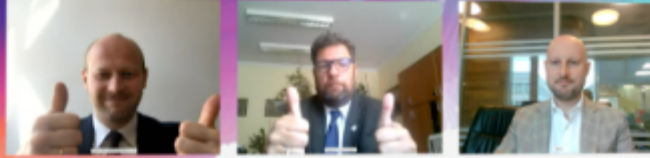

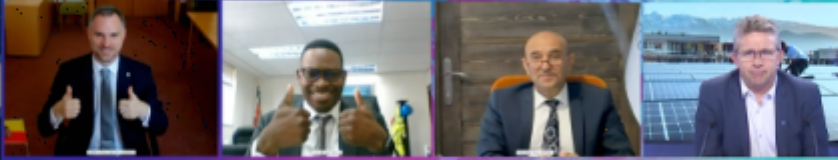

The Smart City Mayors' Summit has always been the highlight of the Smart City Summit & Expo (SCSE) every year. Starting from 2015, mayors from around the world are invited to the annual Summit to share their experience in smart cities.

The theme of the 2020 Smart City Mayors' Summit is "Smart City Transformation and Innovation". The mayors are expected to benefit greatly from the discussion revolved around the topic of "The pandemic of COVID-19 has greatly affected people's daily lives, governmental operations, and most cities' economies. How can technology help the cities to recover?"
