Seeking Better Quality of Community Life: a Park City Approach

16 Dec. 2021
16 Dec. 2021

The second edition of Park City Initiative webinars organized by Metropolis Learning Hub Chengdu will offer a chance for urban planners, city managers and urban development experts to meet and exchange views on planning for sustainable development and the vision of future cities.

Language: Chinese and mandarin

More information about the programme will be available shortly at our Learning Station

Registration available **HERE**
