11th World Urban Forum

26 Jun. 2022
30 Jun. 2022

Convened by UN-Habitat and co-organised with the Polish Ministry of Development Funds and Regional Policy and the Katowice City Office, the Eleventh Session of the World Urban Forum (WUF11) will take place for the first time in Eastern Europe under the theme **Transforming our Cities for a Better Urban Future**.

The WUF is the world's leading event on sustainable urbanisation, examining the most pressing challenges facing the world today: rapid urbanisation and its impact on communities, cities, economies, climate change and policies.

WUF11 is expected to be attended by thousands of participants including representatives from national, sub-national and local governments, academia, the private sector, non-governmental organisations, professionals, intergovernmental organisations, UN agencies and the general public, among others.
