

Dear Members & Partners

The Metropolis International Training Institute – Mashhad Branch, the World Association of the Major Metropolises, FMDV and UN-Habitat, in the framework of the Uraia Platform, are happy to announce the organization of three parallel training seminars in Mashhad, Iran from April 20 - 23, 2020.

We cordially invite your city and institutional partners to participate in these activities with the objective to share and gain experiences to work collectively toward the SDGs.

In this 13th Mashhad Joint Training program, the following topics will be addressed by well-known global experts and thought leaders:

- 1. Increasing Municipal Revenues with SMART Solutions**
[Uraia Capacity Building Workshop- Citizenship Series]
- 2. Urban Regeneration with People's Participation**
- 3. Local & Regional Govts - Resources Management towards Public Asset Utilisation and Reforms**

These training courses are going to be only in English and are aimed towards urban decision-makers and city managers.

The Mashhad International Institute is delighted to cover the accommodations including lodging (only on April 19 to 23), breakfast and lunch and inner-city transportation, just for one person from each city for each workshop (3 in total). Other participants should pay for their accommodations themselves.
